He conducted the regular weekly meeting on

FRATERNITY OF LATIN-AMERICANS FORMED

Special to the Indianapolis Journal. NOTRE DAME, Ind., Jan. 29.-Under the

more than six months, the first steps being taken last summer when a number of Spanish students who are attending American colleges were taking a trip through the States. In this group were men from Notre Dame, Leland Stanford, Chicago, Cornell and a number of the Eastern colleges. After being together for two months they conceived the idea of forming some tie to supplement the bond formed by a community of native speech and country. Some of these men come from the Philippines, Porto Rico and Cuba; they represent the most progressive element of their people and are fast being Americanized. The prospects of the present organization seem to be very bright, and its future influence will be not only social, but also business and political, if it meets the expectations of its promoters. They are taking as their model the general plan of the American college fraternity, and the promoters at Notre Dame are in communication with the various "juntas" throughout the land. When the organization is perfected, most of the larger univer-

sities will be represented. The officers of the Notre Dame society are: President, B. Enriquez; vice president, S. Villanueva; secretary, E. Battle; treasurer, R. A. Trevino; executive committee, L. Lomelin, A. Duque, S. Guerra and E. O.

WABASH HOPES FOR SUCCESS IN ORATORY

Special to the Indianapolis Journal. CRAWFORDSVILLE, Ind., Jan. 29 .-President Kane, of Wabash, has returned The annual prayer day observance was

held at the college on Thursday. The Rev. Dr. Shirley, of Lagrange, delivered the

student body over the coming state oratorical contest on Feb. 5. Wabash will send a large body of students and rooters to support its representative, Mr. Monger. The opinion prevails here that Wabash has a better chance to win the contest than for a good many years. Mr. Monger is very strong both on delivery and composition, and Wabash has high hopes of first
